Nano Care™ Liquid Car Wash and Glass Cleaners

About Nano-Technology

The Nano Care line represents another exciting product breakthrough from Malco. The products in this line utilize advanced nano-technology. Nano wax particles are so tiny (one-billionth of a meter) that they penetrate very small spaces incredibly well. The outcome is greater product performance, ease of application, better surface penetration, high-gloss shine and longer lasting protection.

Malco's research and development lab continually seeks out new technology to incorporate in its products. Rest assured, when you use Malco products, you're using the best the industry has to offer.

Nano Care™ Wash & Wax

Utilizes advanced nano-technology to clean, shine and protect your vehicle in just one, easy step. This wash & wax produces thick, rich suds that combine with ease of rinsing to power away dirt and grime. The nano-sized Carnauba wax particles penetrate deep and condition your vehicle surface to produce a high-gloss, long-lasting finish. Dilute 1:128.

1 gal. 198001 5 gal. 198005

Nano Care™ Glass Cleaner Concentrate

Quickly and easily cuts through dirt, grease, grime and oily films on auto glass and other hard, shiny surfaces. Dilute formula 1:2.

1 gal. 129701 5 gal. 129705

Nano Care™ RTU Glass Cleaner

Uses advanced nano-technology to power away grease, grime, dirt and oily films from automotive glass, mirrors, chrome, stainless steel and other hard, shiny surfaces.

22 fl. oz. 129822 1 gal. 129801
5 gal. 129805 55 gal. 129855

Nano Care™ Waxes and Polishes

Nano Care™ Blueberry Paste Wax

Made with pure Carnauba and Nano waxes and contains no abrasives. Use on all automotive finishes including clearcoated surfaces, fiberglass or any non-porous, painted surface. Additional applications include furniture, appliances, boats and other painted surfaces.

14 oz. 126614

Nano Care™ Spray Wax

Nano Care Spray Wax uses advanced nano-technology to provide both waxing and dressing of surfaces in just-one-step. Use this product both inside and outside the vehicle on vinyl, leather, glass, plastic and all painted surfaces – will NOT turn plastic white. Nano Care Spray Wax has a pleasant grape fragrance.

22 fl. oz. 128022 1 gal. 128001

Nano Care™ Cleaner Wax

A quick and easy way to restore great gloss and protection to aged and oxidized automotive and marine finishes. The nano-sized polishing agents strip away oxidation and contaminants while depositing a silicone polymer wax that bonds to the surface for long-lasting protection.

32 fl. oz. 128832 1 gal. 128801

Nano Care™ Aqua Wax

This ready-to-use product works great on wet or dry surfaces and produces fantastic gloss quickly. Wash and rinse the vehicle – no drying is necessary. Spray Aqua Wax on all painted exterior vehicle surfaces and wipe off to reveal a beautiful shine. This is an ideal product for both new and used car dealers. Aqua Wax features a fresh orange fragrance.

22 fl. oz. 128122 1 gal. 128101
5 gal. 128105

Nano Care™ Banana Crème Wax

Fast and easy way to provide long-lasting environmental and UV protection to automotive and marine finishes. With its great banana scent and dual UV inhibitors, it will deliver the most amazing gloss and protection available today.

32 fl. oz. 197732 1 gal. 197701

Quick Reference Key:

Nano Care™ Polishing Crème

Using nano-technology, this one-step polish, specially formulated for dark colored vehicles, creates deep gloss and a glass-like finish. Nano Care Polishing Crème features easy-on/easy-off application and works great when used by hand or by machine. Bring great gloss back to aged, oxidized or environmentally damaged vehicle surfaces quickly and easily.

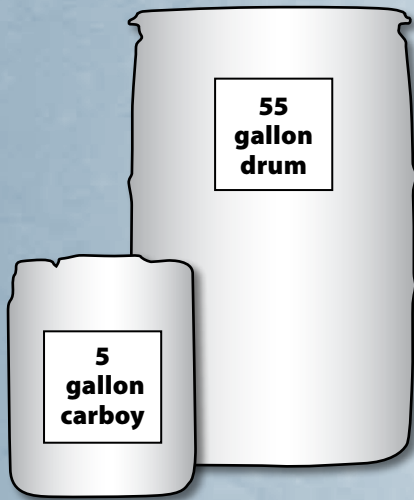

32 fl. oz. 128332 1 gal. 128301

Prizm Car Washes and Hand Cleaners

About Prizm

Malco's Prizm line provides hard-working, value-based products. We've designed a full line of products that deliver premium performance, pleasant fragrance and economical dilution ratios, keeping cost per car low and adding value to every detail.

Available Sizes

In addition to gallons, most Prizm products are also available in 5 and 55-gallon sizes.

Prizm Wash & Wax

Thick, rich suds power away dirt and grime leaving vehicles with a high-gloss shine. Features a cinnamon fragrance. Dilute 1:64.

1 gal. 129301 5 gal. 129305
55 gal. 129355

Prizm Car Wash

Get performance and value from this hard-working cleaner. It is formulated to easily remove dirt, grease and grime and leave the surface clean and film-free. Pleasant bubble gum fragrance. Dilute 1:100.

1 gal. 123201 5 gal. 123205
55 gal. 123255

Prizm VOC Compliant Orange Hand Cleaner with Pumice

This economical hand cleaner removes grease, grime, dirt and oil. Its solvent-free, lotion-style formula is gentle on your hands, but tough on dirt. Fresh, natural orange fragrance.

1 gal. 126201

See our full line of hand cleaners – page 29

Prizm Cleaners, Degreasers and Dressings

Prizm GP Cleaner/Degreaser

This multi-purpose cleaner delivers exceptional performance and value. Prizm GP Cleaner/Degreaser is specially formulated to clean dirt, oil, grease and grime from hard surfaces including plastic, vinyl, engines, concrete floors and machinery. Works great as a carpet pre-spotter.

1 gal. 192401 5 gal. 192405
55 gal. 192455

Prizm Degreaser

This multi-purpose, non-phosphate citrus cleaner is non-caustic, aluminum safe and biodegradable. Use it to clean engines, whitewalls, carpet, upholstery, vinyl and concrete driveways.

1 gal. 190301 5 gal. 190305
55 gal. 190355

Quick Reference Key:

Prizm Dressing VOC

Produces a high-gloss finish at a value price. This solvent-based silicone dressing is ideal for use on all vehicle interior and exterior vinyl, leather and plastic surfaces. Use it on dashboards, door seals, visors, rubber floor mats, bumpers, tires, wheel wells and moldings.

1 gal. 123501 5 gal. 123505
55 gal. 123555

VOC Compliant Prizm Dressing

This quick drying, solvent-based dressing leaves a deep, lustrous shine on rubber, vinyl and leather. It coats and penetrates surfaces to prevent drying, fading and cracking. Features a pleasant strawberry fragrance.

1 gal. 127901 5 gal. 127905
55 gal. 127955

Prizm Water-Based Dressing

This water-based emulsion dressing provides an attractive satiny gloss while helping to prevent drying, fading, cracking, discoloration and deterioration on interior and exterior surfaces.

1 gal. 124901 5 gal. 124905

Buffing Compounds

Malco offers a broad range of compounds and polishes designed to create outstanding paint gloss on both fresh and cured finishes. Malco's compounds are formulated without silicones, waxes or fillers. The benefits are twofold: they will not cause paint contamination problems in body shops and scratches will not reappear. Malco has a wide variety of polishes to meet the job-specific needs of today's automotive professional.

See our complete selection of wool and foam buffing pads and polishing pads – pages 30-31

Super-Duty Heavy-Cut Compound

Aggressive cutting compound designed to remove heavy sanding scratches and oxidation from both clear-coat painted and gel-coat surfaces. It will easily remove 800 grit and finer sand scratches when used with a 100% twisted wool pad. Leaves a high-gloss finish.

32 fl. oz. 127632 1 gal. 127601

SiliconeFREE

Rapid Cut™ Super Cleaner and Leveling Compound

Designed to remove 1000-grit sand scratches as well as severe oxidation and acid rain damage. This user-friendly compound works quickly for either paint finishing or reconditioning applications.

32 fl. oz. 118532 1 gal. 118501

SiliconeFREE

Perfex™ Cutting Compound

Extremely user-friendly, medium-duty compound designed to remove 1000-grit and finer sand scratches from both fresh and fully-cured coatings. While this high-performance compound is optimized for use with wool cutting pads, it can be used to remove 1500-grit scratches from fresh paint with a foam compounding pad.

32 fl. oz. 104032 1 gal. 104001

SiliconeFREE

MAG™ 1 Compound

Restores gloss to aged, scratched and weathered single-stage and clearcoat paint. This moderately aggressive compound will remove 1500-grit and finer scratches and is designed to cut quickly with little dust and mess. It provides outstanding results with both foam and wool cutting pads.

1 gal. 119801

SiliconeFREE

Buff Lite™ II Finishing Crème

Light compound designed to remove 1500-grit and finer sand scratches and leave finishes free of swirl marks. Use it with either foam or wool buffing pads to create outstanding gloss quickly and with minimal dust and haze.

30 fl. oz. 114132 1 gal. 114101

SiliconeFREE

Tru-Grit™ Heavy-Duty Compound

Contains special abrasives that provide the broadest buffing capability with minimal swirls. It is formulated for removing 1000-grit and finer sand scratches from both fully-cured and 24-hour-old high solids and standard clears, making it the best choice for all shops. Use Tru-Grit to repair paint defects and to remove oxidation and environmental paint damage on any automotive coating.

30 fl. oz. 120032 1 gal. 120001

SiliconeFREE

UFC Foam Restoration Compound

Easy-to-use. Designed specifically for use with a foam compounding pad. Formulated for buffing 1500-grit and finer wet-sand scratches from both fully-cured and 24-hour old clear coat painted surfaces. Special abrasives provide both aggressive compounding capabilities and fine polishing properties.

32 fl. oz. 197832 1 gal. 197801

SiliconeFREE

Quick Reference Key:

Cleaners and Polishes

Lite Finish™ Cleaning Polish

Removes swirl marks and produces amazing brilliance when used alone or in conjunction with Tru-Grit, Perfex or Rapid Cut compounds. Lite Finish produces deep, lustrous, long-lasting gloss without waxes or fillers.

32 fl. oz. 110132 1 gal. 110101

SiliconeFREE

MAG™ 2 Polish & Glaze

Removes light scratches and surface defects. MAG 2 is designed to be used after MAG 1 Compound. However, on paints with only minor surface damage, MAG 2 can be the starting product in the paint restoration process. Use MAG 2 with foam or blended wool polishing pads.

1 gal. 119901

Swirl Remover

Designed to remove swirls from both fresh and cured painted surfaces. Because it contains no fillers, waxes or silicones, Swirl Remover produces a clean, high-gloss finish that doesn't wash away. For optimal results, use with either a wool finishing pad or foam polishing pad.

32 fl. oz. 190232 1 gal. 190201

SiliconeFREE

Glaze II – One-Step Cleaner-Polish Wax

Contains mild cleaners and color brighteners to produce a deep, lustrous shine with excellent water beading. Formulated for machine or hand use, Glaze II removes swirls and minor finish imperfections. It is the ideal choice for automotive coatings over 60 days old.

1 gal. 110601

Restore-It™ Cleaner/Glaze

Removes swirls, micro-scratches and light oxidation. It produces outstanding gloss on all surfaces, especially dark colors. Restore-It contains no scratch-filling waxes, resins or silicones for an honest, long-lasting gloss. Use as a machine glaze with a wool finishing or soft, foam pad.

32 fl. oz. 116632 1 gal. 116601

SiliconeFREE

Rejuvenator™ One-Step Auto Paint Restoration

Specially formulated product contains premium Carnauba wax for long-lasting protection and rich, deep gloss. Rejuvenator's fast-acting formula and one-step convenience speed vehicle paint restoration. Use with wool or foam pads.

32 fl. oz. 111732 1 gal. 111701

Headlight Lens Repair Polish

Safely removes discoloration, light to medium scratches and dirt and grime from automotive headlights in under 5 minutes. This repair polish can also be used on plastic, Plexiglass, acrylic and boat windshields.

16 fl. oz. 128216 **SiliconeFREE**

Metal Polish

Designed to remove surface oxidation, brake dust and oily soils from all vehicular and household metal work. Contains micro-abrasives that will not scratch or damage metals – even soft metals like copper. Use it on chrome, brass, aluminum, stainless steel, copper and other metals.

16 fl. oz. 123016

Waxes and Sealants

See page 18 to compare
all of our waxes.

VOC Compliant Cherry Flash

This liquified paste wax utilizes the same wax and DuPont Zonyl® as our regular Flash™. These premium ingredients provide the same deep, long-lasting gloss in a non-dusting, VOC compliant formula. Features a fresh cherry scent.

32 fl. oz. 124832 64 fl. oz. 124864
1 gal. 124801

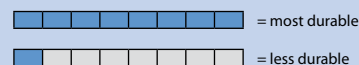

Cherry Flash Aerosol

Make hand waxing even faster and easier with this aerosol version of our popular VOC Compliant Cherry Flash. Spray on, let dry, polish off... it's that easy!

14 oz. 124820

Quick Reference Key:

Flash™ Liquid Paste Wax ~~VOC~~

Our most popular wax. Flash is a liquefied paste wax manufactured with premium, natural Carnauba wax and DuPont Zonyl®. This easy-to-apply product dries quickly and comes off easily, resulting in a deep, long-lasting gloss. When you need a great finish in a hurry, get it done fast with Flash!

32 fl. oz. 114432 64 fl. oz. 114464
1 gal. 114401

Imperial Paste Wax ~~VOC~~

Provides long-lasting protection with a durable shine. This premium, #1 Carnauba paste wax contains special anti-swirl agents that make it ideal for dark finishes.

14 oz. 114014

VOC Compliant Imperial Paste Wax

This premium, Carnauba paste wax utilizes the same anti-swirl agents and provides the same long lasting protection and shine as our regular Imperial Paste Wax, but in a VOC compliant formula. Features a fresh watermelon scent.

14 oz. 125214

Enhancer® Premium Cream Wax

Easy-to-use product applies and dries quickly, leaving a fast-wiping haze with low dust. Its unique blend of the finest Carnauba wax and other premium ingredients delivers a long-lasting shine that resists repeated washings.

32 fl. oz. 120232 1 gal. 120201

Additional waxes in the Nano Care section. See page 5

Spray Waxes and Glazes

No matter what the job, Malco has a wax, spray wax or glaze to get the results you're after. Whether you're waxing an entire fleet of vehicles and need an easy-on/easy-off spray wax like Mist-It, or you're waxing a high-end show car and need the ultimate gloss and long-lasting protection of our Imperial Paste Wax – Malco has you covered.

Showroom Shine™ Spray Wax

Quickly removes dust, smudges and fingerprints from auto finishes and leaves a bright, glossy, protective shine. Showroom Shine can be used to clean and shine all glass, metal and exterior painted surfaces. Designed specifically for the “spot delivery” needs of car dealerships, it is also safe for use in body shops.

22 fl. oz. 110422 1 gal. 110401
5 gal. 110405

Mist-It™ Spray 'N Shine

Easy-to-use surface enhancer. Mist-It is designed to create rich, wet-looking gloss. It is ideal for pre-delivery cleanups and as a lubricant when using overspray clays.

1 gal. 121801 5 gal. 121805

Additional spray waxes in the Nano Care section. See page 5

Foam Pad Wax

Saves you time and effort by combining polishing and waxing into one easy step. Advanced technology polishing agents and waxes combine with silicone resin and polymers to create unbeatable gloss and exceptional, long-lasting protection. Use with a soft foam polishing pad.

32 fl. oz. 198632 1 gal. 198601

One-Step Detail Spray

Delivers a “showroom quality” shine and durable protection in just one fast and easy step. Removes harmful contaminants, water spots, fingerprints and surface dirt. Use to remove dust and grime and repel water while adding durable protection to your finish.

16 oz. 198316

Plum Crazy™ Hand Glaze

Removes minor scratches and swirl marks. Plum Crazy produces an easy-on/easy-off high-gloss shine on both old and newly painted surfaces. Use this grape-scented, purple crème on all acrylic enamels, acrylic lacquers, urethanes and basecoat/clearcoat finishes.

32 fl. oz. 114732

Cleaners and Degreasers

KA-88™ Super Duty Cleaner and Degreaser

Formulated to cut heavy grease, oil and dirt economically. The high alkaline cleaners in KA-88 make it the ideal choice for cleaning concrete floors, walls and vehicular traffic areas. One of the strongest cleaners available, KA-88 can be diluted to meet the requirements for specific jobs. Can be diluted up to 1:10.

1 gal. 105601 5 gal. 105605
55 gal. 105655

Potent Purple™ Super Duty Cleaner & Degreaser

Designed to meet the greatest cleaning challenges at an economical price. This versatile, caustic cleaner will cut through the heaviest accumulations of grease and oily dirt and leave surfaces clean and film-free. Can be diluted up to 1:3.

5 gal. 120305 55 gal. 120355

See additional degreasers in the Prizm section – page 7

Red Thunder™ Biodegradable Cleaner and Degreaser

Removes a wide variety of soils from most hard and soft surfaces. This highly concentrated, non-caustic and aluminum-safe, all purpose cleaner excels as an engine cleaner and degreaser. It's also great on whitewalls, carpet and upholstery. Dilute up to 1:10.

1 gal. 102301 5 gal. 102305
55 gal. 102355

SC-1™ All Purpose Concentrate

Designed to lift and dissolve a wide variety of soils. This non-caustic, dye- and fragrance-free cleaner may be used on both vehicle interiors and exteriors without damaging delicate surfaces. Dilute SC-1 up to 1:15 to meet the requirements of your specific job.

1 gal. 121701 5 gal. 121705

Outrageous Orange™ All Purpose Cleaner Concentrate

Biodegradable formula powers away dirt, grease and grime. This orange-scented, water-based, d-limonene cleaner is ideal for interior and exterior use. It's super-concentrated so you can dilute it up to 1:30.

1 gal. 117601 5 gal. 117605
55 gal. 117655

H/A™ Concentrate Cleaner

Produces outstanding results from 1:10 to 1:100 dilutions. H/A does not use solvents or bleaches; instead, it contains penetrating agents to loosen soils. After rinsing, surfaces are clean and film-free.

1 gal. 101501 5 gal. 101505
55 gal. 101555

Aero Thunder

Powers through heavy grease and grime. This strong all purpose cleaner is designed to remove a wide variety of soils from both hard and soft surfaces. Use it to clean carpet, upholstery, whitewalls, engines and all painted surfaces.

19 oz. 126319

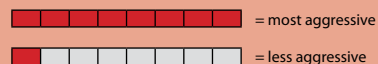

Spray Citra Clean™

Excels as an all-purpose cleaner with the added benefit of aerosol convenience. This versatile d-limonene cleaner lifts and dissolves oily soil, making it the perfect cleaner for just about any washable surface.

19 oz. 108720

Quick Reference Key:

Body Prep and Pre-Wash

A & L Cosmoline Remover

Solvent-based transit coating remover effectively removes cosmoline and petroleum-based coatings. It is easy to use and will not soften, dull or discolor finishes. Safe to use on any painted surface.

32 fl. oz. 116832 1 gal. 116801 5 gal. 116805

Road Paint & Graffiti Remover

Incorporates revolutionary new technology utilizing environmentally-friendly, soy and vegetable based chemistry to safely, quickly and easily remove road paint and graffiti from clearcoat painted surfaces.

22 fl. oz. 197922 1 gal. 197901

Bodysol™ Solvent Cleaner

Removes tar, wax, grease, oil, undercoating, adhesives and overspray from car and truck exteriors.

1 gal. 107601 5 gal. 107605

Super Citra Clean™ Tar, Wax and Grease Remover

Strips away natural and silicone based waxes and sealants from painted surfaces. This water-based cleaner works well as a degreaser, cosmoline remover and pre-painting surface preparation.

1 gal. 118401 5 gal. 118405

Surface and Paint Clarifier

(S.A.P.) easily removes environmental fallout and contaminants from painted surfaces, making cleanup fast and easy!

1 gal. 113901

Annihilator™ Transit Coating Remover

Quickly and easily removes petroleum-based transit coatings and cosmoline from painted surfaces. Use Annihilator to speed up your vehicle clean-up and restoration process.

1 gal. 115101 5 gal. 115105

Surface Prep™ Adhesion Promoter and Cleaner

Improves coating adhesion by thoroughly cleaning and "etching" existing coatings on repaint and blend area. Use to ensure outstanding adhesion in hard-to-reach areas such as around door locks, gaskets and seals, under trim and on urethane bumpers. It rinses away completely, leaving surfaces ready to paint.

28 fl. oz. 120132

Tar-Get® Tar, Wax and Grease Remover

Removes road oil, tar, wax, sealants, silicone and underbody compounds from both painted and unpainted automotive surfaces. Spray Tar-Get on and let its hard-working formula dissolve tar, wax and grease and minimize scrubbing. Tar-Get is safe for use on acrylics, lacquer and synthetic enamel finishes.

1 gal. 100401 5 gal. 100405

Bug-Off™ Insect Remover

Loosens dried bugs from windshields, hoods, bumpers and grills. Bug-Off is ideal as a pre-car wash for vehicles with large frontal areas such as trucks, buses and RVs.

1 gal. 107801 5 gal. 107805

Overspray Clays

Special blend of abrasive and clay-type binder system removes surface contaminants including cured overspray and industrial fallout from automotive finishes and trim without scratching. Always use with a lubricant such as Mist-It Spray 'N Shine or Showroom Shine. Choose from two levels of abrasive. Includes case.

7.5 oz. Light Cut Bar (gray) 8130707

7.5 oz. Heavy Cut Bar (purple) 8130709

Wash and Waxes

Selecting the right wash?

The first step in selecting a great car wash is deciding whether you want a straight car wash or a wash and wax. Luckily, Malco has a number of great choices for both.

Sheeting vs. Beading?

Malco wash and wax products either sheet or bead. Verry Berry, for instance, sheets and makes water roll off the finish for a spot-free shine – perfect for washing large fleets. Ultra Violet, on the other hand, makes water bead for a freshly waxed look and high-shine finish that lasts.

Concentration?

Finally, it's important to pay attention to dilution ratio. In general, our liquid car wash products offer higher dilutions. For example, CW-37 can be diluted up to 1:400, while wash and wax products typically require more product to achieve the desired effect.

Verry Berry™ Super-Premium Wash 'N Wax

Foams like a liquid car wash, makes water sheet and roll off the finish and leaves a “just-waxed” look that lasts through several car washings. Great wild berry scent. Dilute 1:128.

64 fl. oz. 119364 5 gal. 119305

Ultimate Foaming Orange™ Wash & Wax

Thick, rich suds, lemon scent and high gloss shine combine to create an out-of-this-world car washing experience. The powerful, high-foam formula removes road film, dirt and grime, leaving a vehicle surface protected from harmful pollutants by a clean, glossy finish. Dilute 1:46.

1 gal. 124001 5 gal. 124005

Ultra-Violet™ Premium Wash 'N Wax

Provides durable high-gloss shine in one easy step. Advanced cleaning agents and waxes work together to remove the toughest soils and leave a rich, lustrous shine. Ultra-Violet makes water bead up for a fresh-waxed look. Great grape scent. Dilute 1:20.

64 fl. oz. 107164 1 gal. 107101
5 gal. 107105 30 gal. 107130

Additional washes and wash and wax products are available in the Nano Care (pg 5) and Prizm sections (pg 6).

Quick Reference Key:

6 yellow squares = most concentrated
6 yellow squares and 2 white squares = less concentrated

Liquid Car Wash and Self-Serve Car/Truck Wash

Econo-Wash™ Concentrate

Delivers excellent cleaning performance and value at dilutions of 1:100. This high-foaming, surfactant-based cleaner removes heavy accumulations of road films and soils.

5 gal. 108905 55 gal. 108955

Liquid Car Wash Concentrate

Can be used in both mechanical and hand wash applications. This biodegradable and phosphate-free concentrate produces thick, rich suds that lift away dirt and oily road film. Dilutable to 1:128.

1 gal. 102001 5 gal. 102005

CW-37™ Premium Car & Truck Wash Concentrate

Designed for use in automatic, semi-automatic and hand car washes. This environmentally-friendly formula produces large quantities of hard working suds, making it the ideal choice for most car wash applications. CW-37 is a unique high lubricity formula that prevents brush marks when used in a foam brush application. Dilutable up to 1:400.

1 gal. 105701 5 gal. 105705 55 gal. 105755

Pressure Wash

Special cleaning agents in this powdered formula cut through dirt and grime. Pressure Wash can be used for degreasing surfaces or cleaning whitewalls. 1.25 lbs. per 50 gal.

100 lb. 103490

Super Hi-Pressure Concentrate

Can be used with both hot and cold water systems. The fast-acting formula is safe for all types of finishes and is designed to rinse cleanly without leaving streaks or spots. Dilute 1:64.

5 gal. 104405

Dirt Blaster Truck Wash

This hyper-concentrated, heavy duty formula can be diluted up to 1:10. Use it by hand or with a pressure washer to remove soot, grime and oily soils. It rinses off easily without leaving a film behind.

5 gal. 125605

TC-303™ Acid Aluminum Truck Brightener

Removes oxidation, soot, road film, water scale and mineral deposits from aluminum and stainless steel. TC-303's unique blend of mineral acids, solvents and surfactants is designed for use on aluminum tractor-trailers, tankers and tank cars.

5 gal. 113005

See more washes in our Prizm section – pg 6.

Working Hands™ Skin Conditioning Car Wash

Fortified with fine skin care conditioners to help prevent drying and cracking of hands. Working Hands is formulated to remove soils easily and rinse cleanly. It features a fresh, green apple scent. Dilutable to 1:100.

5 gal. 190105

Citrus Scent Spray Wax

Produces a brilliant, durable shine on all types of auto finishes. This self-service car wash wax has outstanding detergent-resistance and water-beading properties and a clean lemon scent. Dilute 1:15 to 1:60.

5 gal. 104605

Heavy Duty Truck Wash

Designed for use in both hot and cold water pressure washers. This biodegradable powder cleaner penetrates heavy soils quickly and rinses away cleanly without leaving film, spots or residue. Safe for use on aluminum. 1.25 lbs. per 50 gal.

100 lb. 106390

Wheel Cleaners

Choosing the right wheel cleaner for your needs

Malco wheel cleaners fall into two categories: caustic cleaners and acid-based cleaners. Both offer outstanding cleaning power, but there are some important differences. First, caustic-based cleaners like Malco Complete™ are generally safer and provide more complete cleaning of both the wheel and the tire. However, extremely dirty wheels with heavy deposits of baked-on, caked-on brake dust and grime may require a more aggressive acid-based cleaner like Power Brite™ or Ultra Shine™. Just be sure to follow the directions and safety precautions printed on the product labels. Please note: if you use an acid-based wheel cleaner, we recommend using Malco Whitewall Cleaner to remove dirt and grease from the tires, white walls and raised white lettering.

Quick Reference Key:

Complete Wheel & Tire Cleaner Non-Acid Formula

Acid-free formula works quickly and leaves wheels and tires clean and bright. This ready-to-use product contains a unique blend of cleaners that dissolve and loosen burned-on brake pad dust, grease, oil and dirt from the entire wheel. Safe for use on all types of wheels – will NOT damage concrete floors.

1 gal. 122901 5 gal. 122905 55 gal. 122955

Power Brite™ Concentrated Wire Wheel Cleaner

Cleans and shines chrome-plated surfaces in one easy step. Power Brite is an extremely strong acidic concentrate that removes rust, road dirt, brake dust and oily films. Not for use on aluminum or magnesium wheels. Dilute 1:1.

1 gal. 106001 5 gal. 106005

Ultra Shine™ Concentrated Mag & Aluminum Wheel Cleaner

Safe for clear coated and uncoated aluminum wheels. This high-powered cleaner is fortified with grease-cutting surfactants and acids that cut through oxidation, road dirt and brake dust to leave wheels clean and looking like new. Dilute 1:1.

1 gal. 105801

Brake Off™ Non-Acid Wheel Cleaner

Removes brake dust, road film and dirt from aluminum and light alloy wheels. This ready-to-use, alkaline cleaner is ideal for cleaning intricate cast and machined wheels, including Mercedes, Volvo and BMW aluminum and alloy wheels.

1 gal. 119401 5 gal. 119405
55 gal. 119455

Whitewall Cleaner Concentrate

Removes dirt and grease to clean and brighten whitewalls and letters. Dilute 1:3.

1 gal. 100201 5 gal. 100205
55 gal. 100255

Glass Cleaners

Windshield Solvent Concentrate

Specially formulated, methanol-based mixture prevents solution from freezing. This non-foaming formula cuts through dirt and road film to leave windows clean and haze-free. Dilute Windshield Solvent Concentrate between 1:1 and 1:16 depending on temperature requirements.

1 gal. 106701 5 gal. 106705
55 gal. 106755

Water Spot Remover

Pumice-reinforced cleaner removes hard water spots and mineral deposits from glass, chrome, stainless steel, tile and porcelain.

20 fl. oz. 113420

Foaming Glass Cleaner

Clings to glass for better cleaning. Special ammoniated formula cuts through haze and dirt to leave glass, chrome, appliances and stainless steel clean and streak-free. Not recommended for use on aftermarket tinted windows.

19 oz. 105520

Glass Cleaner

Ammonia-free cleaner powers away grime and film to leave glass, chrome, tile and mirrors clean and streak-free. Safe for use on aftermarket tinted windows.

19 oz. 113820

See more glass cleaners on pages 4-6
Bottles/triggers page 32

Pink Mist™ Concentrated Glass Cleaner

Removes all soils and film from glass, chrome, stainless steel, porcelain and ceramic tile. This ammonia-free formula can be diluted for greater economy.

1 gal. 170301 5 gal. 170305

Super Concentrated Glass Cleaner

Quickly and easily cuts through dirt, grease, grime and oily films on auto glass and other hard shiny surfaces. This ammonia-free, VOC Compliant formula provides deep down cleaning action and leaves surfaces spotless, shiny and streak-free.

1 gal. 198801 5 gal. 198805

Glass Cleaner Concentrate

Fast-drying, easy-to-use formula can be diluted as necessary for year-round use. This powerful product dissolves road film, bugs and haze on glass, chrome and other hard glossy surfaces without leaving streaks or deposits. Dilute depending on work conditions and temperature.

1 gal. 105501

RTU Glass Cleaner **VOC**

Formulated to cut through tobacco film, soap scum and oily soils. This ammonia-free formula is ideal for non-porous, hard surfaces such as glass, tile, chrome, stainless steel, ceramics, porcelain, vinyl, plastic or rubber moldings.

55 gal. 107955

Malco Product Resource Center

Selecting the right compound or polish for each job can be a bit tricky. At Malco, we always recommend beginning with the least aggressive polish that will effectively remove the type of defect that you're up against. For example, for heavy damage such as oxidation or acid rain, we recommend a heavy-cut compound like Tru-Grit. Or, if you're just looking to remove light wear, a one-step glaze like Restore-It should do the trick.

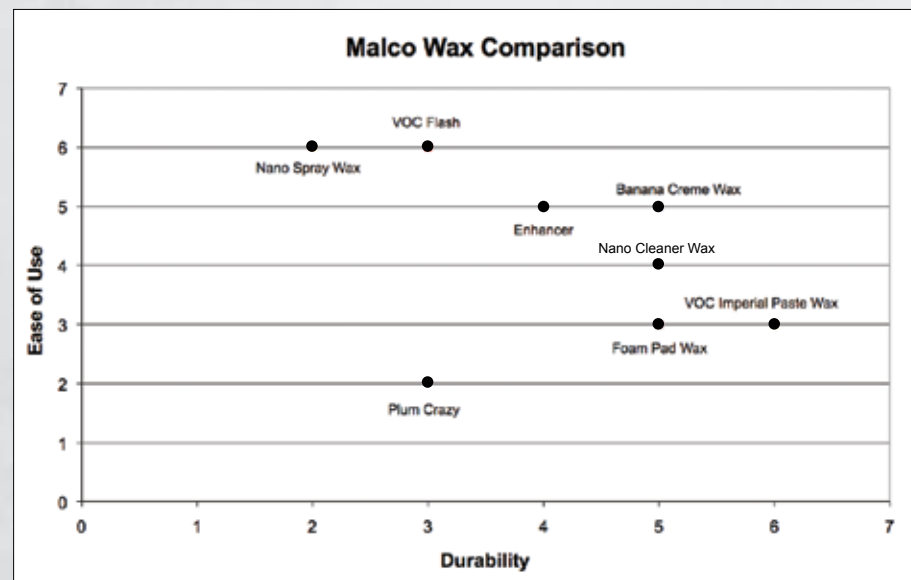

Type of Defect	Compound/Polish	Part #	Tips For Use:
• 1000-grit sand scratches • Car wash scratches • Normal wear • Heavy oxidation • Acid rain damage	Tru-Grit or Rapid Cut or Super Duty	1200 1185 1276	For heavy damage use a three step process. Begin with a less aggressive compound to eliminate unnecessary work and excess clearcoat removal.
• Light scratches • Swirl marks from compounding • Water spots • Bird droppings	Lite Finish or Swirl Remover or Buff Lite II	1101 1902 1199	Most light defects can be removed with a cleaner/polish.
• Light wear • Environmental exposure • Appearance enhancement • Repair minor damage from transport/storage	Restore-It or Glaze II or Rejuvenator	1166 1106 1117	To maximize gloss and remove minor surface damage, a one-step glaze polish should be sufficient.

See pages 8-9 for compounds and polishes.

See pages 10-11 for Malco waxes and spray waxes

When it comes to waxes, there are really two main criteria that matter: ease of use and durability. If you really want to add long-lasting protection, a paste wax like VOC Imperial Paste Wax provides the most longevity. However, if you just need a quick touch up, Nano Spray Wax is fast and easy to use. The chart below ranks all of our waxes in both ease of use and durability...

Malco Product Resource Center

Every great detailing job starts with a great car wash. We offer a variety of car washes to meet your unique needs. Whether you need an ultra concentrated wash like CW-37, or a high-performance wash and wax like our Nano Care Wash and Wax, Malco offers superior car washes to get the job done. Compare the features and benefits of all of our washes in the chart below.

Liquid Car Washes	Part #	Dilution	Color	Fragrance	Description/Benefits
CW-37 (pg 15)	1057	1:400	Pink/Red	Cherry	Ultra-concentrated formula. High lubricity. Ideal for car washes – reduces brush marks.
Liquid Car Wash (pg 15)	1020	1:128	Yellow	Banana	Highly-concentrated formula. Biodegradable and phosphate free.
PRIZM Car Wash (pg 6)	1232	1:100	Pink	Bubble Gum	Non-Silicone formula. Leaves surfaces clean and film-free.
Econo-Wash (pg 15)	1089	1:100	None	None	Excellent cleaning at a value price. Color- and fragrance-free.
Wash and Waxes					
Very Berry (pg 14)	1193	1:128	Red	Wild Berry	Makes water sheet and roll off finish. Perfect for fleets and dealerships.
Nano Care Wash & Wax (pg 4)	1980	1:128	Purple	Pomaganrite	Cleans, shines and adds protection in one, easy step.
PRIZM Wash & Wax (pg 6)	1293	1:64	Dark Red	Cinnamon	Powers away dirt and leaves a high-gloss finish.
U.F.O. Ultimate Foaming Orange (pg 14)	1240	1:46	Orange	Citrus	Extremely sudsy. Leaves finishes glossy and protected.
Ultra Violet (pg 14)	1071	1:20	Purple	Grape	Makes water bead. Removes dirt and leaves a just-waxed look.

Before you attack any stain, we recommend that you consult this list. From ink to soda, every stain is different and may require a different type of cleaner. The highlights below list some of the most common types of carpet stains and the product we recommend for each type of stain.

Type of Stain	Product	Part #	Tips For Cleaning
Kool-Aid	Oxy Carpet and Upholstery Cleaner (pg 23)	1278	Allow product to dwell for maximum effectiveness.
Red Wine			
Soda & Other Drinks			
Ink	Instant Out (aerosol pg. 23) or Xtrax Pre-Spotter (pg 25)	1264	Wipe quickly. Allow product to dwell for tougher stains.
Marker		1268	
Grease, dirt and grime			
Blood	Enzyme Cleaner (pg 23)	1029	Allow product to dwell for maximum effectiveness.
Urine			
Vomit			
Feces & other protein-based stains			

Solvent-Based Dressings

VOC Compliant Blue Blazes™

Leaves a deep, lustrous shine on rubber, vinyl and leather. This premium formula coats and penetrates surfaces to prevent drying, fading and cracking.

22 fl. oz. 127222 1 gal. 127201
5 gal. 127205

VOC Compliant Clear Dressing

Beautifies and protects vehicle interior and exterior plastic, rubber, leather and vinyl surfaces. VOC Clear Dressing is ideal for making tires look black and shiny.

1 gal. 127101 5 gal. 127105
55 gal. 127155

Verde Tire Dressing

Its unique green color, lime scent and special formula combine to create a versatile, durable, high-gloss dressing.

1 gal. 125001

VOC Tire Nu Dressing

SiliconeFREE

VOC Compliant Tire Nu is a non-silicone dressing formulated for use in body shops. It produces a dazzling, high-gloss shine on plastic, leather, vinyl and rubber and restores faded surfaces to a like-new finish.

1 gal. 125301 5 gal. 125305

See page 32 for bottles and sprayers.

Ultra Cote 2™ Premium Dressing

VOC

Restores gloss to weathered and oxidized vinyl, rubber, plastic and leather surfaces. The pleasant piña colada scent and rich, lustrous gloss make Ultra Cote 2 a good choice for classic performance at a reasonable price.

1 gal. 103001 5 gal. 103005

Tire Nu™ Dressing

VOC

SiliconeFREE

Silicone-free dressing shines and protects interior and exterior rubber, vinyl, plastic and leather surfaces. Tire Nu is the ideal tire dressing; it goes on quickly and leaves a deep, lustrous shine in seconds. Safe for body shop use.

1 gal. 112701 5 gal. 112705

For non-regulated states, Malco will continue to offer non-VOC compliant versions of these popular products.

Quick Shine™ Performance Dressing

VOC

Fast-drying and easy-to-use dressing that protects and enhances plastic, rubber, leather and vinyl interior and exterior surfaces. Quick Shine delivers great performance at a reasonable cost.

1 gal. 112301 5 gal. 112305
55 gal. 112355

Clear Dressing

VOC

Beautifies and protects vehicle interior and exterior plastic, rubber, leather and vinyl surfaces. Clear Dressing is ideal for making tires look black and shiny.

5 gal. 121105 55 gal. 121155

Blue Blazes™ All Purpose Premium Dressing

VOC

Produces a high-gloss shine on all plastic, rubber, vinyl and leather. Blue Blazes dries quickly to a non-sticky gloss and helps prevent fading, shrinking and cracking.

22 fl. oz. 114822 1 gal. 114801
5 gal. 114805 55 gal. 114855

Water-Based and Aerosol Dressings / Conditioning Sprays

Appeal™ Super Concentrated Dressing

Premium concentrated dressing that can be diluted up to 1:5. Create different levels of gloss ranging from a semi-gloss, satiny finish to a wet, dazzling shine. This durable, silicone-based, aqueous emulsion dressing offers ease of use and convenience.

1 gal. 118001

PB-2™ Multi-Purpose Emulsion Dressing

Premium performance dressing that protects and beautifies vinyl, rubber, leather and plastic surfaces. Its silicone emulsion formula helps prevent drying, cracking, discoloration and deterioration of protected surfaces.

22 fl. oz. 104322 1 gal. 104301
55 gal. 104355

E-Zee Shine™ Premium Dressing

Easy-to-use, economical and 1:1 dilutable formula. E-Zee Shine protects and beautifies with a deep shine that will not easily wash away.

1 gal. 118101 5 gal. 118105

RTU Tire Dressing

SiliconeFREE

Produces excellent gloss on tires without yellowing whitewalls. Its special water-based formula contains no silicones or solvents, making it an ideal choice for body shops.

1 gal. 108501 5 gal. 108505

Spray Coat

Spray Coat is easy to use. This fast-drying spray produces a fine mist. No wiping is necessary. Spray Coat prevents battery terminal corrosion and water-proofs ignition system hinges, springs and casters.

11 oz. 198211

VOC Perfect 10™ Fast-Drying Aerosol Dressing

Offers outstanding gloss and ease of use. This fast-drying dressing produces a fine mist that shines hard-to-reach areas such as vents and moldings. No wiping is necessary. Adds high-gloss shine to vinyl, plastic, leather and painted interior and exterior surfaces. Berry scented.

11 oz. 198412

Wipe-On Gel Tire Dressing

A water-based, ready-to-use formula that can be wiped on to minimize potential for messy sling. Dries quickly to leave an exceptional high-gloss shine that will not wash away.

16 fl. oz. 129516

Aqua Bead Silicone Suspension Dressing

Aqua Bead is a VOC compliant, premium, water-based silicone suspension dressing formulated to perform like a solvent-based dressing. Aqua Bead's high-gloss and durability combined with its superior water-repellent properties make it ideal for tires, engines, bumpers, trim and moldings. It's great on interiors too.

1 gal. 129601 5 gal. 129605

Shine-It™ Aerosol Dressing

VOC

Top grade silicone dressing/protectant. Shine-It leaves a deep, lasting shine on rubber, leather, vinyl, wood and painted surfaces. Its "fan-shaped" aerosol spray pattern can be positioned to discharge horizontally or vertically to dress difficult-to-reach areas.

11 oz. 111516

Perfect 10™ Fast-Drying Spray

Conditions and protects vinyl, plastic, leather, rubber, metal and wood surfaces. A special blend of silicones and fast-drying solvents make treatment of surfaces fast and easy. A super-fine mist coats surfaces evenly without sticky buildups.

11 oz. 114520

Odor Eliminators and Deodorizers

Odor Sniper™ Fragrance-Free Odor Eliminator

This is not your ordinary air freshener... Odor Sniper attacks and chemically neutralizes foul odors by penetrating and removing them at their source. It contains absolutely NO masking fragrance, so odors are not simply disguised, they're eliminated. Great for removing smoke, ammonia, sulfur, urine, feces, spoiled food and body odors. Then, your customers can follow up with their favorite fragrance.

22 fl. oz. 199022 1 gal. 199001

Ordenone™ Fragrances

Water-based air fresheners composed of a unique molecular formulation that attacks foul odors immediately upon contact and renders them instantly ineffective. For maximum effectiveness the Ordenone product MUST come into direct contact with the source of the odor. Ordenone will eliminate the odor emanating from a stain, but will not remove the stain. 14 oz. sizes.

Berry Blast – 124125

Citrus Splash – 124126

Clean Breeze – 124127

New Leather – 124128

Odor Eliminating Foggers

Can be used for total release fogging or spot spraying. These foggers are not cover-ups; they eliminate smoke and other strong odors at their source. Each fogger deodorizes up to 6,000 cubic feet of space. They are available in the following scents:

Cinnamon – 5 oz. 124122

Citrus – 5 oz. 124121

New Leather – 5 oz. 124124

Original (Bubble Gum) – 5 oz. 124120

Also available in Xtrax fragrance – see page 25.

Odor Eliminator Liquids

Contain special ingredients that neutralize unpleasant odors and leave behind pleasant scents. They are available in the following fragrances:

Cherry Scent – 1 gal. 122201

New Car – 1 gal. 122401

Carpet and Interior Cleaners

Instant Out Spot & Stain Remover

Highly effective on both oil and water-based stains. This fast acting spotter removes tough spots and stains from carpet without rubbing or scrubbing. Use it to remove ink, grease, oil, cola, coffee, pet stains, shoe polish and lipstick.

18 oz. 126419

Oxy Carpet & Upholstery Cleaner

Peroxide-based, spray-on, oxygenated, all-purpose fabric cleaner. This powerful, ready-to-use formula quickly cuts through grease, grime, dirt, food dyes and even Kool-Aid stains.

1 gal. 127801

Foaming Carpet & Upholstery Cleaner

Features an inverted nozzle for vertical application. Its rich foam formula dries quickly. This makes cleaning carpeting and seat bottoms fast and easy.

18 oz. 101720

Carpet & Upholstery Cleaner Concentrate

Lifts and dissolves soils and stains for complete cleaning. Carpet & Upholstery Cleaner can be used on synthetic and natural fiber carpet and upholstery. Can be diluted up to 1:20.

1 gal. 101801 5 gal. 101805

Spray Upholstery, Fabric & Carpet Cleaner

Removes soils and stains from all types of colorfast, fibered materials. Convenient, ready-to-use formula dries residue-free to prevent resoiling and leaves behind a fresh, clean scent.

22 fl. oz. 101716

Enzyme Cleaner

The newest innovation in stain removal for carpet and upholstery utilizes a patent-pending formulation technology and pro-microbial action to enhance cleaning and provide long-lasting odor control. Highly effective on organic matter such as blood, vomit, urine and feces.

1 gal. 102901

Chewing Gum Remover

Utilizes freeze action to safely and effectively remove chewing gum, candle wax, putty and other gummy substances from carpet and other fabric and upholstered surfaces.

11 oz. 198111

Carpet Plus™

Designed for horizontal application. This makes cleaning upright areas, such as seat backs, much easier. The cleaners in this aerosol do not leave behind sticky residues that can attract dirt and speed resoiling. This aerosol can also be used to clean headliners.

18 oz. 110220

Clean & Shine

Clean & Shine powers away grease, grime and dirt from leather, vinyl and plastic while restoring a rich, satiny gloss to the surface. In just one step, this ready-to-use formula cleans, beautifies and protects.

22 fl. oz. 125922 1 gal. 125901
5 gal. 125905

Leather Conditioner

Cleans and conditions fine leather. This premium formula revives and softens aged or soiled leather without leaving it greasy or slick. Leather scented.

32 fl. oz. 109932

Leather & Plastic Cleaner

Restores "like new" appearance to leather, plastic and vinyl surfaces. Its special penetrating formula cleans all the way down to the pores and leaves surfaces clean and film-free.

22 fl. oz. 100116 1 gal. 100101
5 gal. 100105 55 gal. 100155

Xtrax Machines and Accessories

XTRAX™ Xtractor Machines

All Malco Xtrax Xtractors feature:

- Rotomolded, cross-linked polyethylene for extreme durability and good looks.
- Stainless steel solution tanks for outstanding heat retention, corrosion-resistance and durability.
- Comprehensive warranty.
- 15-amp operation so only one plug is needed.
- Long solution and vacuum hoses (15' each) reach all corners of every vehicle.
- Stainless steel hand tool.
- 25' heavy duty extension cord.

Model 1200 Xtrax™ Xtractor

Huge 9 gal. solution tank with 1500-watt heater. Dual, two-stage vacuums create 150" of water lift and 100 psi of 190° F cleaning solution.

1 unit 800062

Model 600 Xtrax™ Xtractor

Large 4.5 gallon solution tank with 1500-watt heater. Single, three-stage vacuum providing 137" of water lift and 60 psi solution pump. Lift-off recovery tank for easy emptying.

1 unit 800184

Xtrax Chemicals

Interior cleaning is an important part of the detailing and reconditioning process. Malco offers an integrated system of chemicals and equipment designed to make all interior vehicle surfaces look their best.

Defoamer

An economical and safe formula that eliminates foam generated by mixing soapy solutions with air. This is particularly important to users of extraction cleaning machines.

1 gal. 103601

Xtrax™ Liquid Fabric Cleaner & Deodorizer

Designed for use in hot and cold water extraction machines. This low-foam formula leaves carpet and upholstery clean, soft and fresh-smelling.

1 gal. 118701 5 gal. 118705

Xtrax™ Dry

Formulated with color-safe peroxide bleach to make stain and odor removal fast and easy. This carpet and upholstery cleaner is designed for use with hot and cold water extraction machines.

10 lb. 118810 30 lb. 118830

Xtrax™ Release Agent and Conditioning Spray

Features the clean, fresh Xtrax fragrance. Use on vinyl, plastic, rubber, leather and painted interior and exterior surfaces. Use this fine mist to treat hard-to-reach areas such as vents and moldings. No wiping is necessary – fast drying.

11 oz. 124620

Xtrax™ Odor Eliminator

Neutralizes unpleasant odors and leaves behind the clean, fresh Xtrax fragrance.

1 gal. 122101

Xtrax™ Odor Fogger

Can be used for total release fogging or spot spraying. This fogger is not a cover-up; it eliminates smoke and other strong odors at their source. Deodorizes up to 6,000 cubic feet of space.

5 oz. 124123

Xtrax™ Carpet & Upholstery Cleaner

Features a special foaming all-fabric formula and the clean, fresh Xtrax fragrance. This easy-to-use product lifts soils without leaving an oily film behind. Use it for all carpet and upholstery cleaning.

18 oz. 124720

All of these products feature our pleasant Xtrax fragrance to create a consistent aroma throughout the vehicle.

Xtrax Pre-Spotter

Highly effective on both oil and water-based stains. This fast-acting spotter removes tough stains from carpet and upholstery. While designed to be used with Malco's Xtrax machines, it also works great as a stand-alone spot treater. Use it to eliminate grease, oil, tar, cola, coffee, wine, blood and pet stains.

22 oz. 126822 1 gal. 126801

System 1™ Proportioner System & Hardware

Controlling costs and quality is important to any business, but to a dealership or large volume reconditioner working on slim margins, cost containment is critical. The System 1™ Cleaning Center dramatically reduces chemical costs per vehicle while improving cleaning quality by providing products in a hyper-concentrate form and by controlling the amount of product used to clean each vehicle. Preventing waste and high dilutions keeps costs contained!

SYSTEM 1™ HARDWARE

Select Six Plus™ Proportioner

Standard configuration offers settings for Car Wash Soap, Glass Cleaner, General Purpose Cleaner (with settings for Leather & Vinyl Cleaner and Carpet & Upholstery Cleaner) and Degreaser (with settings for Engine Degreaser and Whitewall Cleaner).

1 unit – 800084

Single Proportioners

Designed for adding more System 1 products to the Select Six Plus or to proportion only one System 1 product.

High flow (3 gal/min) – 800086

Low flow (1 gal/min) – 800085

Dressing proportioner 800104

System 1™ Cabinet

Holds six 5-gallon pails. Sturdy steel construction. Locks for added security.

Cabinet – 800052

SYSTEM 1™ CHEMICALS

Car Soap Concentrate

Produces large quantity of suds that lift and move soils away while lubricating brushes and wash mitts to prevent vehicle scratching. It rinses cleanly and leaves surfaces film-free. One five gallon pail makes approximately 900 gallons of car wash.

5 gal. 115705

Dressing

Creates excellent gloss on interior and exterior rubber, plastic, leather and vinyl. This water-based silicone emulsion doesn't cause tire sling or spotting. One five gallon pail makes about 15 gallons of ready-to-use dressing.

5 gal. 121305

Glass Cleaner Concentrate

Cuts through road film and grime and leaves glass, chrome and stainless steel clean and streak free. One five-gallon pail makes about 85 gallons of ready-to-use glass cleaner.

5 gal. 115505

Engine Degreaser

Cuts through grease, dirt and oil and leaves surfaces clean and residue-free. Use for cleaning engines, wheels and whitewalls. One five-gallon pail makes between 40 and 55 gallons of degreaser.

5 gal. 115405

General Purpose Cleaner

Designed to be used as a general purpose cleaner (leather, plastic, vinyl, painted surfaces) and a carpet/upholstery cleaner. One five-gallon pail makes between 55 and 105 gallons of cleaner.

5 gal. 115605

Dyes and Paints

Vinyl, Plastic & Carpet Dyes

Makes repairs or re-coloring fast and consistent. These premium vinyl dyes provide excellent adhesion and outstanding color consistency. 11 oz.

Tire Mounting Paste

Makes tire mounting easy! It protects tire beads from damage by helping them seal properly.

6.5 lb. tub 197607

Tire Mounting Lubricant

Formulated to create a better fit between tire and rim. Tire Mounting Lubricant contains no silicone, solvent or soap, making it safe for use on all tires, including whitewalls. A special rust inhibitor prevents rusting on the rims.

1 gal. 102401 5 gal. 102405
55 gal. 102455

FAF® Fuel Line Anti-Freeze

Improves fuel octane rating and helps keep fuel injectors clean. FAF absorbs moisture and prevents freezing.

12 fl. oz 100812

Fuel Injection Cleaner and Treatment

Keeps injectors, intake valves, ports, PCV system and fuel system clean. Reduces power loss, engine hesitation and rough idling.

11 fl. oz. 100312

White Lithium Grease VOC

Prevents rust and corrosion while reducing friction. Its foaming action penetrates deeply into tight assemblies. Ideal for auto, home and industrial use.

13.5 oz. 106920

VOC Headliner & Trim Adhesive

A super-strength, fast dry adhesive that creates a permanent bond every time. Use whenever you need to bond vinyl, leather, foam, rubber or plastic to such surfaces as wood, metal or corrugated.

13 oz. Aerosol 126913

Penetrating Oil

Powerful blend of quick-acting, super-penetrating agents displaces water and loosens rusted, corroded fasteners and parts. It leaves behind a protective and lubricating layer.

12 oz. 103919

Swell Seal® Transmission Sealer

Prevents fluid loss in transmission and power steering units. Odorless and non-toxic formula protects seals from aging and eliminates squeals and grinding in power steering units.

6 fl. oz. 101106

VOC Brake Parts Cleaner

Ideal for drying wet ignition components and cleaning complete brake assemblies without disassembling the brake unit. This fast-drying, residue-free product contains no carbon tetrachloride, petroleum solvents or silicones.

14 oz. 103117

VOC Compliant Brake & Parts Wash

Highly effective blend of solvents designed to remove soil, oil, grease, grime and brake dust from drums, disk brakes, CV joint and metal parts. This fast-drying formula delivers powerful cleaning performance without the use of ozone-depleting chlorinated solvents.

19 oz. 111020

Rubberized Undercoating VOC

Protects underside and lower body panels from chips and scratches. This paintable formula provides superior low temperature flexibility and better performance than asphaltic products. Sprays on black.

16 oz. 117420

Brake & Parts Wash VOC

Removes oil, grease and brake dust without leaving behind films or residues. This non-chlorinated solvent cleaner and degreaser can be used on all brake parts.

14.75 oz. 110920

Silicone Spray All-Purpose Lubricant VOC

For use on rubber, metal, painted surfaces, leather, wood, plastic and vinyl. Use to eliminate squeaking and sticking of moving metal parts, to preserve rubber fixtures and to waterproof electrical and ignition systems.

10.75 oz. 102920

Hand Cleaners and Laundry Detergents

Lotion Hand Cleaner

Cleans the dirtiest hands without solvents or abrasives. It contains a blend of anti-bacterial and skin care ingredients to condition the skin and guard against infection. Use it as a barrier cream before beginning work to form a protective film between shop soils and hands.

16 oz. 102112 1 gal. 102101

Cherry SP Hand Cleaner

Contains unique, advanced “floating pumice” polymer scrubbers that cut through the toughest grease, dirt and oil. Although effective at cleaning, these scrubbers are gentle to your skin and leave your hands clean, conditioned and free of harsh-smelling oils and films.

1 gal. 123901 2.25 liter 123925

VOC Lotion Hand Cleaner with Pumice

Combines the cleaning muscle of solvents and pumice to cut through the heaviest shop soils and leave hands clean and free of harsh-smelling oils. Premium skin care ingredients soften and protect hands.

1 gal. 106201 2.25 lit. 106225
1 gal. flat top (z-pack) 106202

Coral-P™ Lotion Hand Cleaner with Pumice

VOC

Powerful pumice-fortified hand cleaner formulated to remove oil and water soluble soils such as grease, tar, oil, dirt and stains. Lanolin and aloe vera provide premium skin care.

2.25 liter 118225

VOC Clean Release™ Hand Cleaner

Removes urethane-based coatings such as primers, base coats and clear coats, as well as urethane and butyl windshield adhesive/sealants, grease, oils, epoxies, body fillers and fiberglass resins. This fresh scented crème contains skin conditioners that will help soften and moisturize dry skin.

16 fl. oz. 127016 1 gal. 127001

Laundry Detergent

Cleans and brightens shop towels and household items. This biodegradable powder tackles the toughest soils without damaging delicate fabrics.

25 lbs. (5% phosphate) 201026
25 lbs. (phosphate-free) 251026

Cure Laundry Detergent

Phosphate-free concentrated liquid formula cleans the toughest dirt and soil and leaves laundry clean and bright. Unscented.

1 gal. 405601

Active 8™ Concrete Cleaner

Penetrates and emulsifies dirt, grease and oil. This biodegradable, solvent-free formula works in both hot and cold water. Powder

Three Shelf Supply Cart

Custom designed to fit the needs of automotive detailers. The cart is a super-strong, molded polyethylene with 4 heavy-duty, rust resistant caster wheels. For safety, two of the wheels lock. The cart accommodates up to 1-gallon size containers on each of its 3 shelves. The top two shelves have recessed tubs to keep products neatly organized and contain any spills or leaks.

QUALITY PRODUCTS SINCE 1953

LEATHER AND PLASTIC SPRAY CLEANER
was Malco's first product developed in 1953.

Malco's commitment to quality began nearly six decades ago. Still owned and operated by the same family, Malco's dedication to quality and innovation has remained consistent through the generations. Today, we are focused on providing industry leading products that provide the highest value to our customers.
